Dear Faithful Supporters,

Thank you for your prayers and love offerings to our multiple ministries. We do much together. You share in our reward.

Pray for us and our world-wide ministries. Pray for our health, protection and insight into God’s Word. We are called to bring unity to our Lord’s Body, and, to equip those called to ministry. By God’s Grace, we have not wavered from these two pursuits since 1964. Our success is only because of Him.

Blessings to you all in 2015,
